## Did You Know?

- ◆ Women buy eight times more Father's Day cards than men?
- ◆ Doctors in ancient China were paid when patients were healthy, not sick?
- ◆ Nearly 75% of all US Congress staff members suffer from heartburn?

## Scholarships Awarded to Students

In July 2003, the Horsham Lions Club presented \$2,000 scholarships to two seniors, and \$1,000 to each of six seniors from the Hatboro Horsham High School, totaling \$10,000 in scholarships.

Above, pictured left to right are: Erin Maguire, Meryl Klein, Teresa Rech, President Joe Nemath, Leon Kotlyar, Matthew Stefan, Matthew Ofsharick, and Carl Marin.

Sara Mockaitis could not attend on Award Night, and received her scholarship in August. To the right is Sara pictured with Joe Nemath.

The club strives to present several scholarships to local area students each year, in an effort to assist in furthering the education of community-minded young adults.

The students were chosen anonymously, and the choice was made not only on academic merit, but on the level of community and humanitarian involvement the students displayed.

Since beginning the scholarship program, the Horsham Lions Club has presented more than \$150,000 in scholarships to local students.

## Annual Golf Outing a Huge Success!

The annual golf tournament was once again a huge success for the Horsham and Abington Lions Clubs. For the first time in our history, the Horsham Lions Club teamed up with the Abington Lions Club, each helping the other reach their fundraising goals.

Pictured above (Left to Right): President Joe Nemath, Golf Committee members Jim Faber and Bill Whiteside, and Sal Calise.

Due to inclement weather, the players were able to complete at least 13 holes. Because some players were able to get in more than 13 holes, the scores were tallied using everyone's first 13 holes played. Gross scores were tallied based on their relationship to par. For net scores we used a modified Callaway adjustment for each player's first 13 holes played.

Preliminary reports from the golf outing show a profit of more than \$5,000. Exact figures will be available next month.

Here are some of the contests that took place during the day, and the winners from each contest. Help us congratulate them all!

<b><u>Low Gross:</u></b>	Larry Camilli	5 over par
<b><u>2nd Low Gross:</u></b>	Todd Kennedy	5 over par
<b><u>Low Net:</u></b>	Arnold Lawing	1 under par
<b><u>2nd Low Net:</u></b>	Bob Felte	1 under par
<b><u>Closest to Pin:</u></b>	Peggy Carney	20 feet (Hole 8)
<b><u>Closest to Pin:</u></b>	Mike O'Rourke	4'11" (Hole 12)
<b><u>Longest Drive:</u></b>	Kevin Hughes, Jr.	Hole 13
<b><u>Worst Golfer:</u></b>	Kevin Rolston	93 strokes

Below (Left to Right): Golf Committee member Jim Faber reading out winners' names, and Abington Lions Club member Jack McCord handing out a winner's award.

### Monthly Brain Teaser!

The man who made it... didn't want it.  
The man who bought it... didn't use it.  
The man who used it... didn't know it.  
What is it?

### Last Month's Answer:

When you subtracted your original number, you removed the only unknown from the equation. I never had to know your number!

**(Scholarships—Continued from Page 1)**

Here are some interesting facts about our award recipients, in no particular order:

**Carl Marin** will be attending the Temple Tyler School of Art this fall, majoring in Industrial Design. He has participated in several school bands, as well as on the stage crew for the fall musical. He has assisted in several park cleanup efforts. Carl has achieved the distinguished honor of Eagle Scout. His Eagle project was to collect, repair, and donate bicycles to underprivileged children.

**Matthew Ofsharick** will be attending Penn State this fall for Mechanical engineering. He has participated in several school bands, and won several awards for his participation. He ran track and cross country, served as a senior mentor, and plays saxophone in a band at community events, retirement homes, and fundraisers. He's held several jobs, including at a diner and as a paper delivery boy. He has officiated at several Kiwanis Relay Track meets.

**Leon Kotlyar** will be attending Princeton this fall, majoring in Physics. He has participated in several school bands. He was a National Honor Society vice president. He was on the math club, academic team, chess club, and spring track. He served as a math and science tutor, and has participated in several park cleanups. Leon and his family emigrated from Russia only 11 years ago. He has won several awards for scholastic achievement.

**Erin Maguire** will be attending Desales University this fall, majoring in Journalism. She was an editor for the high school newspaper. She was an officer for Helping Little Hands and Interact (community service group). She's helped with the Relay for Life, Lifeteen youth group, and at the College Settlement Camp. She is a National Honor Society member. She has been an elementary school tutor, held jobs as waitress and cashier, worked at St. Catherine's rectory.

**Sara Mockaitis** will be attending Penn State this fall, majoring in Elementary Education. She's participated in varsity soccer, cross country, track, and Red and Black Night. Sara has been a teacher's assistant for 4 years at the Simmons elementary school, and loves working with children.

**Teresa Rech** will be attending Millersville this fall, majoring in Elementary Education. She was in the National Honor Society. She has participated in park cleanups, and has served on student council for 4 years. She's worked in soup kitchens, College Settlement Camp, and as an usher for performances held at the high school. She's collected toys for hospitalized children, been on the prom committee, and helps teachers at her church's CCD classes.

**Matthew Stefan** will be attending Temple University this fall, majoring in Political Science. He's been in many choir, musical, and theater programs, as well as serving on the prom committee and debate team. He's ran track and played soccer. In the future, he wants to create a theatre company for inner city children.

**Meryl Klein** wants to major in Women's and International Studies this fall. She was in drumline, band, has worked on the yearbook, and been on the debate team. She's helped with Interact, Students for Rendell, and has taken service trips to Africa and a Sioux reservation, and has taken part in Outward Bound.

## Air Show Coming Soon!

It's that time of year again, Lions! Our top three fundraisers of the year are the Golf Outing, Horsham Day, and Air Show Parking. As you know, Horsham Day got rained out. This makes the success of our Air Show parking fundraising all the more important!

You will be contacted very soon to see if you can help set up, tear down, and park cars during the two day Air Show. This year the show will be on Saturday September 13th and Sunday September 14th. Please try to find some time to help out in this important fundraiser!
