Our website has proven helpful to yet another local resident!

Mr. Poplow of Cheltenham was in a car accident. When coming home from rehab, he needed both a walker and a wheelchair, but Medicare would only pay for one.

His family chose the walker. Now they needed a wheelchair.

His family went online and found our website! They contacted John Bill after finding his phone number on the website.

John and fellow Lion Ted Truver then found a wheelchair and delivered it to Mr. Poplow.

The chair was supplied by the Green Lane-Marlboro Lions club, who warehouse medical equipment for Lions Clubs.

District Governor to Visit!

The Governor of District 14R will be paying our club a visit on Thursday, January 22nd, during our dinner meeting. Let's have a great turnout, and show the governor our dedication to Lionism!
