 - ◆ Bob Hope and Rod Serling were both boxers early in their careers.
 - ◆ Honey is the only food that will never spoil.
 - ◆ The first machine for manufacturing horse-shoes was developed in 1835 in the city of Troy, New York.

Membership Night Report

I must say I am very pleased with the turnout at our Membership Night. We had quite a few members come to Edibles, as well as three potential new members. In my history as a Horsham Lion, that's the largest number of potential new members we've ever had.

Sorry, folks, the pictures I took didn't turn out as well as I had hoped for. So I'm going to omit them this time.

One thing to keep in mind: Just because our Membership Night has come and gone, this does not mean that our search for new members is over! If any of you know anyone who might be a good Lion, please let me know and I will prepare a packet of information for them, I will contact them, and invite them to a meeting.

May Birthdays:

Bill Whiteside, May 13th
Sam Braccia, May 17th
John Bill, May 24th

Monthly Brain Teaser!

A ball is tied to a string and hung over the side of a boat.

The ball hangs 12 feet above water level.

The water rises 2 feet per hour.

How long before the water touches the ball?

Last Month's Answer:
The last step removed the only unknown from the equation.

Can't wait until next month for the answer?
Send me an email!

Max Hankin Poetry Corner

I'm Appalled With What I See

When I visit public places,
I'm appalled with what I see,
So many people smoking,
And ignoring our urgent plea.
Then at the hospitals, I observe
Sad families pacing the floor.
While patients pray for another chance,
The chance they had before.

Upcoming Fundraisers

Once again we've got several fundraisers coming up, almost back to back. Once again we encourage all Horsham Lions to come help out during these fundraisers.

Horsham Day—Saturday June 3rd

We'll need more people than last year, because Sam and his family will not be coming. Sam will provide the pig, but we're responsible for everything else.

We will also need help to run the ice cream stand, which we plan on adding this year.

Air Show—Sat/Sun June 17th-18th

Even though we don't have the Blue Angels this year, we still are expecting a huge turnout, because of the unknown future of the air base. This has always been our biggest fundraiser, and we haven't even been able to staff it completely by ourselves for the past two years. Lions, please come out to help!

Golf Tournament—Monday July 31st

While we don't need many Lions to work, we still need Lions present to represent us, to show pride, to thank the golfers. This couldn't be easier, so there's no reason not to come!
