Did You Know?

- ◆ The average worker in Japan takes only half of his/her earned vacation time each year.
- ◆ A pitched baseball slows by roughly 8mph during its trip to home plate.
- ◆ Sea lions can get sunburn, and if placed aboard a ship, will get as seasick as a man.
- ◆ Australia is the smallest, flattest, and driest inhabited continent.
- ◆ The petunia and the potato are related to each other.
- ◆ The first mini golf courses in the US were built on NYC rooftops in 1926.

Recent News

- ◆ At our March 15th meeting, we will be hosting **Vince Braccia**, who will speak to us about his new business venture. Visit www.HealthWealthZone.com for a preview of his talk.
- ◆ We recently voted to give \$2,100 to various causes which we donate to yearly, including Leader Dog, Beacon Lodge, MCAB, and the Christmas Party for the Sight Impaired. Of that amount, \$1,200 came from White Cane Days collections.
- ◆ We voted to spend \$250 to sponsor a **Horsham Little League** baseball team. Photos of the team, and a plaque, should come during the season.
- ◆ We voted to purchase a half-page advertisement in the MCAB Golf Tournament program book. We are considering using the space to advertise our own golf outing.
- ◆ We voted to allocate \$5,000 toward **scholarships** for the upcoming graduation. Scholarship committee will be forming soon.
- ◆ **Lions International Sight First II** is engaged in a new fundraising drive. We committed \$5,000 to be given, to be spread out among three years. Some of that amount has already been accounted for.

THOUGHTLESS ME

I thought of me,
and I thought of you too.
But I did more for me,
and much less for you.

Why should I be first,
and you be second?
I must change my ways,
I had better reckon.

If you treated me that way,
I'd be upset.
But you never did,
so I owe you a debt.

There must be a way,
I must allow,
More time for you,
and I'll start right now!

Monthly Brain Teaser!

Some months have 30 days.
Some months have 31 days.
How many months
have 28 days?

Last Month's Answer:
Neither hits the ground. You're
off the coast, they hit the **water**.
