- ◆ Lions Eye Bank
Golf Outing,
Monday August 20th

Horsham Day has come and gone, and thanks to cooperative weather, we had a very productive fundraiser. By 6pm we had sold out of all our pork, all our ice cream, and most of our drinks. Last year we were giving away sandwiches and ice cream, due to the amount we had left over.

Many thanks go to all the Lions who came to help out during the day (I won't list them because I fear

I will leave someone out!) Thanks also go to Ivan Stoltzfus, our friend from Lancaster, who came to make ice cream.

All told, we netted approximately \$2,000 during this fundraiser. This will pay for some of the scholarships we recently gave out, as well as help us contribute to other worthy causes throughout the year.

Did You Know?

- ◆ There are earthworms as short as 1/25 inch and as long as 11 feet.
- ◆ The first woman mayor in the US was elected in Argonia, Kansas in 1887.
- ◆ The Mona Lisa measures less than two feet by two feet.
- ◆ Greece's national anthem has 158 verses.

News and Notes

- ◆ In memory of **Max and Janet Hankin**, the Horsham Lions have contributed \$1,000 toward the planting of trees in Israel through the Jewish National Fund. Donating toward the planting of Israel has been a highly respected way of commemorating important people within Jewish society for decades.
- ◆ Horsham Lions donated \$100 to help with the recovery and rebuilding effort taking place in tornado-ravaged **Greensburg, Kansas**.
- ◆ Horsham Lions donated \$100 toward **Camp Rainbow** in Spring Mount PA. The camp is for underprivileged children from Philadelphia.
- ◆ Our **ONLY MEETING IN JULY** will be held on Thursday the 19th. During this meeting we will be hosting this year's scholarship recipients and their families. Spouses are invited and encouraged to attend.
- ◆ **Beacon Lodge** in Mount Union, PA is holding its annual Lions Appreciation Day on Sunday July 15th. All Lions are welcome to come visit the camp and tour the grounds. The cost of the trip is \$8 and includes a chicken BBQ. Bring your beach blankets and lawn chairs for the outdoor program that the campers will perform for visiting Lions. If you are interested in going, please let John Bill know by July 6th at 215-646-7154

Officers Inducted

PDG Jack Bittig paid us a visit during our June 21st meeting to induct this year's slate of officers. Jack never fails to incorporate humor as well as reverence into all his inductions, and this was no exception.

Pictured above are one- and two-year directors Jules Olita, John Campisi, Joe Nemath, and Carlo Logiovine.

Pictured below is our Vice President, Tara Smith.

As has been the case for many years, John Bill was inducted as club secretary, and Steve Girone as treasurer.

Lion Bob Bill repeats his role again this year as Lion Tamer.

On a personal note, Andy Weiss (me, your humble newsletter editor) was given a Melvin Jones Fellowship during the evening. It feels very strange writing about myself, so I won't go into a lot of depth here, other than to thank the Horsham Lions for their support of me. We're all a team, no Lion operates alone, and only through teamwork can we continue to support our goals. I am but one gear in this machine, but it takes all of us to keep it running!

June Birthdays:

- Bob Bill 2nd
- John Campisi 10th
- Steve Girone 23rd

Monthly Brain Teaser!

How many seashells can you put into an empty basket?

Last Month's Answer:
Claude is a butcher. Therefore, he weighs meat.
