VOSH Presentation

Did you miss the riveting presentation that VOSH gave during our December 6th meeting? If so, you may have another chance to meet the people who receive our collected eyeglasses.

Dr. David McPhillips and Dr. Christine Smith will be giving their presentation again on February 13th at 7pm in Hatboro.

One of the Girl Scout troops that helped us collect our 1,100+ eyeglasses asked if VOSH could pay them a visit, and the Lions served as intermediary. If you want to attend the presentation, contact Andy Weiss.

News and Notes

- ◆ **District Governor Joanne George** will be visiting our club during our February 7th meeting. DG visits usually have quite a big turnout for our club, why not come join us?
- ◆ "Lion Apostle" **JT Binstead** will be coming to visit our club during our February 21st meeting to talk about LCIF. Those of you who know JT know that his speeches are vibrant and often provoking! JT will also be bringing his **entire club** (Narberth) for a joint club meeting that night.
- ◆ Even though it's only February, we need to start talking about fundraisers like **Horsham Day**. There will be no Air Show in 2008. We have several issues that need to be addressed and we will attempt to discuss them during our February meetings. Why not come out and lend your voice?

Max Hankin Poetry

TIME

When we were young
And we planned to meet,
Time moved too slowly,
My sweet. I loved you.

When we were together,
Winter, Spring, Summer, or Fall,
It seemed like time never
Moved at all. I loved you.

But now I fret,
For how long will it last?
In this part of my life,
Time moves too fast. I love you.
