Did You Know?

- ◆ Under US guidelines, there must be 21-25 jumbo shrimp in a pound.
- ◆ Under Norwegian law, a polar bear may only be shot if deemed a menace
- ◆ The King Ranch in Texas is bigger than the state of Rhode Island. It is 1.25 million acres, is completely fenced in, and was once guarded by armed patrol.
- ◆ Beer wasn't sold in bottles until 1850. Before that, people went to the tavern with a bucket or pot and carried the beer home.

News and Notes

- ◆ The **Christmas Party** has been cancelled this year. The Lions voted and decided to save money and forego a party this year. Don't forget our Membership Night on January 22nd, which is likely to be a party itself!
- ◆ Our first meeting at the Horsham Library went very well. We had pizza, sodas, and coffee cake, and each member chipped in only \$5 apiece. If we had more members, we'd have collected even LESS per person.

Many thanks go to Lion **Todd Tuckey** for lending us his projector.
- ◆ The **Holiday Party for the Visually Impaired** will be held at Moorehead Catering on Sunday December 7th. Volunteer tickets are \$14. Drivers are needed. Maps will be provided. Plan to arrive around 12:30pm because dinner is at 1pm.
- ◆ We're putting the Horsham Lions **ON THE MAP** the map, literally! A business map of Horsham Township is being devised, and the Horsham Lions will be listed as one of the local organizations. It will be distributed to every township resident.
- ◆ We have a **business meeting** December 4th, and another on January 8th. Even though it's the holiday season, please come show your support in Lionism by attending these meetings if possible. The new meeting location at the library is top-notch!
- ◆ We need members! We need YOU to invite people to our upcoming **MEMBERSHIP DINNER** on January 22nd at Edibles. Dinner will be free of charge to guests coming to learn about Lionism. This is a great chance to impress new people, show them our spirit, and get some more members. Please invite someone, or contact Andy Weiss to send out an official invitation with brochure.
- ◆ Where have our **road signs** gone? We thought we had three, but we can only find one, at Glemser's station. Where did the others go? Should we buy and erect more?
