Did You Know?

- ◆ A newborn baby's head accounts for one-quarter of its entire weight.
- ◆ Roman statues were sometimes made with detachable heads, so that one head could be removed and replaced with another.
- ◆ The Hoover Dam was built to last 2,000 years. The concrete at the base will not even be fully cured for another 500 years.

News and Notes

- ◆ We will be **inducting Todd Tuckey** as a new Horsham Lion during our February 5th meeting. You have to admit, it's rare that we get a new member, so *please* come out to meet Todd.
- ◆ March 5th will be a special meeting. We are having a **joint meeting** with the Willow Grove Lions, to be held at Otto's at 7pm. **District Governor** Steve Hilbmann will be visiting on that night. The cost for dinner will be roughly \$25 per person. Please RSVP.

We realize this is an expense, and so we are not requiring attendance. Yet we still encourage and appreciate your coming out on this special night.
- ◆ Who's got **eyeglasses** lying around? Andy has a box of about 200 eyeglasses, which is ready for delivery to VOSH-PA. If you have any glasses piling up, bring them to the next meeting, to be added to this box!
- ◆ Elena Logiovine has won our latest **50/50 raffle**, and took home \$22. To date, we've had five raffles, and given out \$133 dollars (and the club also earned the same amount). You can't win if you don't attend!
- ◆ Soon we will erect three "new" Lions signs around Horsham Township. Keep an eye out for them!

See what you missed because you didn't come to ...

Membership Night?

A very nice couple showed up to meet us and learn about Lions.

And Gene McGill made an appearance!
