### Soccer Camps (5-8 years)

An action packed program involving age appropriate coaching activities, world cup tournaments and daily skills challenge.

### Soccer Schools (8-14 years)

If you want to improve your technical skills and your tactical knowledge this is the program for you! Dynamic coaching methods will ensure every player improves during this program.

### Pre-Season Team Training Week (8-16 years)

Coaches, ask yourself this question...Will your Team be Ready to Play? Customize a UK Elite Soccer Team Training Week today, Individual Teams or Clubs.
